This course is a nine-hole executive golf course with many challenges. The course offers a chance to use all the clubs, may it be over the water or through the many beautiful tree-lined fairways. It consists of three par four holes and six par three holes.

After your round of golf, you can sit down and relax in the Clubhouse and enjoy your favorite beverage and try our snack bar. The upstairs party room with wrap around outside deck, overlooks the golf course. The upstairs room is great for your party needs. Catering can be provided for your outing. Please contact us for additional information concerning your next outing.
