CASS BY REGION

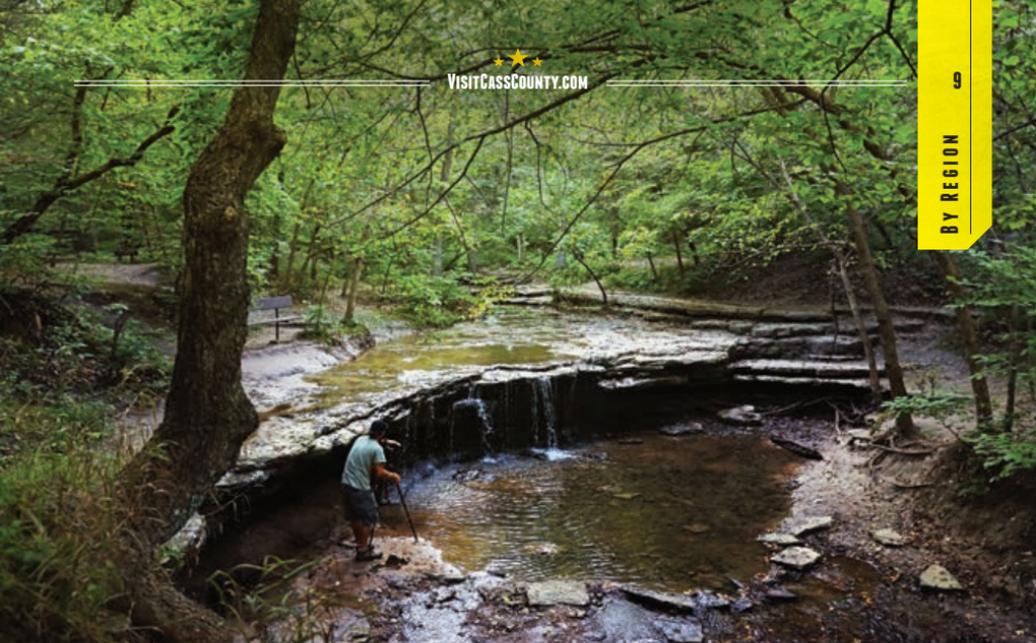

Cass County was formed in 1855 and is uniquely situated midway between Nebraska's largest city and its state capital. Because it's accessible to Omaha, Lincoln and their surrounding communities, Cass County has a lot to offer its visitors. Whether they're outdoor enthusiasts looking for great recreation, history buffs interested in military milestones or the growth of small Midwestern towns, or tourists wanting to experience the local fare and shop for souvenirs, Cass County has something for everyone. These attractions are described in more detail throughout this guide and on our website, visitcasscounty.com.

WESTERN

The western area of Cass County is bordered by Lancaster County to the west, Saunders and Sarpy Counties to the north, and Otoe County to the south side. The communities in this area include Alvo, Ashland, Eagle, Elmwood, Greenwood, Murdock and South Bend.

Drivers traveling between Omaha and Lincoln will intersect the northwestern part of the county whether they take Highway 6 or I-80, passing major landmarks including Eugene T. Mahoney State Park, Lee G. Simmons Park & Wildlife Safari, and the Strategic Air Command & Aerospace Museum. Highway 63 and Highway 1 are the major north-south thoroughfares in this area, and Highway 34 runs east and west across the southernmost part of the entire county.

The western region of Cass County includes the I-80 Speedway and Eagle Raceway, The Platte Valley Antique Mall, Bakers Candies, several museums and golf courses, and a host of other attractions.

CENTRAL

Central Cass County communities include Avoca, Louisville, Manley and Weeping Water. Bordered by the Platte River to the north, this region features Platte River State Park and Louisville State Recreation Area, both major destinations for camping, fishing, boating and other recreation.

The area is accessible via north-south Highway 50 and major east-west routes include Highway 66, Highway 1 and Highway 34.

Some of the attractions located in the central region of Cass County include Manley's Loft Community Theatre, Bloom Where You're Planted Farm near Avoca, museums in Avoca and Weeping Water, and unique shopping options like the Coop De Ville and Feathers boutiques in Louisville, and Grandpa Snazzy's Victorian Emporium & Theatrical Rentals in Weeping Water. Louisville and Weeping Water both offer a nice selection of places to eat with the family or kick back with a drink.

EASTERN

The eastern region of Cass County is bordered by the Missouri River to the east and the Platte River to the north, with the publicly accessible confluence of the two located in the Schilling Wildlife Management Area. Otoe County abuts the county to the south. Highway 75 intersects the region north-south, and the major east-west thoroughfares are Highways 66, 1 and 34.

The communities in this region are Cedar Creek, Murray, Nehawka, Plattsmouth and Union. Plattsmouth is the county seat and the largest city in the county, and offers a wide variety of shopping, dining and other attractions from the Cass County Historical Museum to a downtown farmers market to the Museum of Shadows. The other communities in the area have much to offer, too, like the viticulture-oriented Slattery Vintage Estates, Vineyard & Tasting Room near Nehawka, Mad Cow Paintball in Cedar Creek, and several beautiful golf courses.

SO MUCH TO DO AND SEE! AQUATIC PARK IS THE BEST. THE INDOOR PLAYGROUND ALSO AWESOME!

@ Mahoney State Park

Outdoor enthusiasts will love **Eugene T. Mahoney State Park**. Families can visit the aquatic center and indoor playground, explore the park's hiking and biking trails, adventure through the treetop ropes course, climb the observation tower and, when the weather turns cold, enjoy indoor rock climbing, sledding and ice skating. Camping opportunities are available, but Peter Kiewit Lodge also offers hotel-like lodging with amazing views. Other features include Caddy's Parkside Grille and an arts and crafts center. The park is open year-round. >>>

- ▶ Strategic Air Command & Aerospace Museum

▶ SR-71

THE SR-71 BLACKBIRD ON DISPLAY IS VISIBLE WHEN YOU WALK IN THE DOOR AND IS VERY IMPRESSIVE.

@ Strategic Air Command & Aerospace Museum

««« The western portion of Cass County boasts quite a few museums, the largest being the **Strategic Air Command & Aerospace Museum**. This stunning facility exists to preserve the history of Strategic Air Command, the Cold War and aerospace artifacts and to inspire learning through imaginative, innovative, and inspirational programs and exhibits. It features 300,000 square feet of exhibit, education, and event space to inspire, teach and entertain guests from around the world. Its precursor opened in 1959 with the mission to commemorate the aircraft of the Strategic Air Command headquartered at Offutt Air Force Base in Nebraska. Military buffs will also enjoy the **Elmwood G.A.R.** (Grand Army of the Republic, a fraternal organization) **Veterans Museum** located in Elmwood. This renovated facility is now used to honor local veterans, past and present, and features military artifacts and memorabilia from the Civil War era through modern times.

▶ G.A.R. Monument

While you're in Elmwood, stop by to visit the **Bess Streeter Aldrich House and Museum**, the home where one of Nebraska's best-loved and best-selling authors lived, worked, and raised a family. The works of Aldrich (who was posthumously inducted into the Nebraska Hall of Fame) are still in print today, fulfilling her desire that future generations understand the joys, struggles and strengths that were all part of pioneering in the Midwest. In Murdock, the local historical society invites you to visit the **Murdock Museum** on a Sunday afternoon to learn about the history of their small town and also why the community is still thriving after more than 140 years.

The **Platte Valley Antique Mall & Tourist Information Center** is conveniently located on I-80 at Exit 420 and open from 9 a.m. to 8 p.m. daily year-round. Visitors can tap into free wi-fi, pick up brochures highlighting area attractions, and also enjoy a cafe and pub featuring home style cooking. The adjacent antique mall specializes in authentic antiques and older collectibles with 150 dealers displaying quality merchandise.

If you're in or near Greenwood, you'll want to make time for a delicious trip to **Baker's Candies**, with world-renowned chocolate meltaways proudly produced by the Baker family for three generations. You may want to pick up some extras for the road.

► Baker's Candies

Fans of racing will be thrilled to discover that Cass County has two race tracks! **Eagle Raceway** in Eagle is a one-third mile dirt track, known locally as the "World's Fastest Third Mile." The family-friendly raceway is open April through September and also offers go-kart racing at the **Mini E Raceway** inside the big ring. **I-80 Speedway** near Greenwood hosts weekly Friday night racing featuring the NASCAR Whelen All American Series, the Silver Dollar Nationals, and has played hosts to numerous touring series. **Little Sunset Speedway**, a 1/8-mile karting facility, is located behind the main grandstand of the speedway.

CENTRAL

The central part of the county features two major recreation areas along the **Platte River border**. Platte River State Park campers can pitch a tent or enjoy cozy accommodations in charming vintage cabins or more luxurious “glamping” cabins. The park also features a beautiful waterfall, spray park, scenic hiking and biking trails, and two observation towers that provide a breathtaking view of the Platte River Basin. Visitors can also enjoy guided horseback rides, fishing and paddle boating, concessions, a covered picnic shelter available for rental, an amphitheater that hosts free movie nights Saturday evenings during the summer months, and more. The park is open year-round. Fun fact: Platte River State Park was formerly two separate camps: Harriet Harding Campfire Girls Camp and Camp Esther K. **Louisville State Recreation Area** contains five sandpit lakes for swimming, fishing and non-power boating; provides canoe access to the Platte River; and features a new floating playground. Campers and RVers are welcome, and amenities include picnic sites and a playground along with upgraded showers and restrooms.

▸ *The Loftte*

Enjoy the performing arts at **The Loftte** in Manley, which began in a hog barn in 1977, but today is a full-fledged performance venue. Housed in a gorgeous post-and-beam facility, hosting Broadway musicals, children’s theater and live concerts year-round. The **Old Schoolhouse** in Avoca is another great source for entertainment, offering concerts, field trips and workshops along with fiddle camps and private music lessons.

► Downtown Plattsmouth

I LOVE THAT THERE'S A STORY BEHIND EACH ARTIFACT. FOR THOSE THAT LIKE THE PARANORMAL STUFF AND FOR ANYONE WITH AN OPEN MIND, THIS PLACE IS GREAT.

@Museum of Shadows

EASTERN

Plattsmouth boasts two very interesting—but very different—museums. The **Cass County Historical Society Museum** tells the history of Cass County since it was opened for settlement in 1854, from the golden age of steamboating on the Missouri River to the pioneer experience, from the arrival of the train to the importance of farm production. The Historical Society also maintains the Joseph and Mary Cook Log Cabin built in 1868 and a Burlington Northern Caboose at Second and Main streets in Plattsmouth, and the Rock Bluffs one-room schoolhouse southeast of Plattsmouth. For a potentially hair-raising experience, visit the **Museum of Shadows**, voted one of the most haunted museums in the world. The museum houses over 1,000 paranormal artifacts donated from around the world. Visitors have reported feeling, seeing and hearing suspicious activity and strange phenomena have also been caught on the museum's security cameras.

(If that's not your thing, don't worry—Round the Bend always offers a full menu.)

Eagle is home to **Bailey's Local**, which offers breakfast, lunch and dinner with 'down home style, professional quality. A little further north in Murdock, **Blair's Bulldogs Bar & Grill** is known for its sandwiches and burgers and also offers a wide variety of classic lunch and dinner selections plus appetizers and even a kids' menu. Ask about the Saturday evening prime rib and the Sunday broasted chicken take out specials, too. CENTRAL

Louisville is home to two co-owned stores called **Coop De Ville** and **Feathers** that carry fun merchandise “for a chick, her home and her garden” from handbags and jewelry to candles and frames to yard stakes and bird feeders. Coop’s displays change frequently and you will find new items at every visit. Feathers occupies a former house, and each room carries a different theme and related merchandise from the Baby Room to the Cowgirl Room. The shops offer free gift wrap with every purchase (even if the gift is for yourself), and you can purchase a coffee drink to enjoy while shopping.

Weeping Water is another fun place to shop. Check out **Grandpa Snazzy’s Victorian Emporium & Theatrical Rentals**, where the owners’ “varied interests have created a varied business.” The front 30 feet of the historically restored Victorian building is a coffee shop and antique/gift shop while the rest of the building is a theatrical rental shop, but it’s all fascinating.

Meeske Hardware has been around for more than 80 years (“We’ve been your grandfather’s hardware store, your father’s hardware store, and now we’re happy to be your hometown hardware store.”) and its staff is known for above-and-beyond service. Meeske is also your source for Nebraska-made recycled wood fuel pellets from Horizon Biofuels in Fremont.

The Mopac (East) Trail Lower Platte South starts in Lincoln and ends near Wabash, passing Eagle and Elmwood on the way. The 25-mile trail offers year-round recreation for hikers, joggers, bicyclists, horseback riders, cross-country skiers and wildlife watchers. A crushed limestone trail highlights some of southeast Nebraska's finest wildlife habitat, and the natural-surfaced Charles L. Warner Equestrian Trail parallels the limestone trail. Continue north for a spectacular view of the Platte River via the **Platte River Connection Trail**, a paved, 1.1-mile connector that includes the Lied Platte River Bridge, a former railroad bridge over the Platte River converted for trail use.

CENTRAL

Platte River State Park near Louisville features a 5.1-mile, heavily trafficked loop trail with a river view. Rated as moderate, the trail offers a number of activity options—dogs and horses are also able to use this trail, too—and March through October is considered the best period to enjoy it. Nearby Eugene T. Mahoney State Park offers the **Peter Kiewit Lodge to Observation Tower Loop Trail**, which will open again in the fall to accommodate several ongoing projects including tower painting and the Riverview Event Center construction project. The breathtaking view of the Platte River from the 70-foot tower will be worth the wait.

AGRI-TOURISM

▲ *The Hop Yard*

Agri-tourism is the intersection of tourism and agriculture, which are important industries in the Midwest and in Cass County in particular. Agri-tourism destinations throughout the county offer visitors a chance to see farms, orchards, or other agricultural business in action and enjoy the fruits (and vegetables) of their labors.

▸ *Stock Seed Farm*

▸ *Bloom Where You're Planted Farm*

WESTERN

On Thursday nights during the spring, summer and fall, visit the **Farmers Market at Eagle Community Park in Eagle**. Your purchases of fresh local produce and crafts will support local growers and artisans. If you're a gardener, you'll definitely want to check out **Stock Seed Farm** in nearby Murdock. This family-owned business has been raising native seeds right here in Nebraska for over 60 years. Products include native warm season grasses, wildflowers, lawn seed and fertilizer, as well as seed for CRP (federal Conservation Reserve Program), pasture, habitat and waterway projects, and more.

CENTRAL

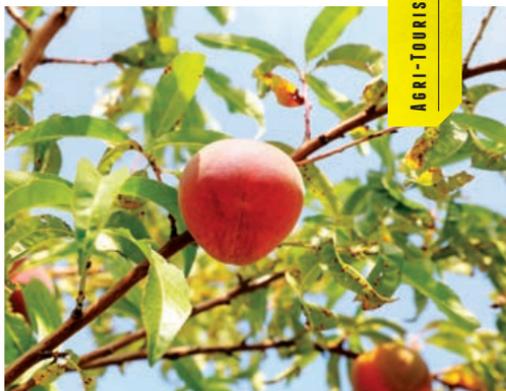

Bloom Where You're Planted Farm & Pumpkin Patch in Avoca is a gorgeous destination for fall family fun that's also a great learning experience. There's something for everyone at this family farm: a U-pick patch, nature trails, farm animals, farm-themed play areas, a gourd garden, agricultural exhibits and much more with an emphasis on the agricultural side of autumn.

EASTERN

At **Slattery Vintage Estates, Vineyard & Tasting Room** in Nehawka, visitors learn about the practice of viticulture (grape-growing) in Nebraska, meet growers and see the vineyards close-up. A tasting room features 40 Nebraska wines and 14 other wines from around the world, a variety of beers, and local foods. Nebraska's original Glamping destinations, catch the Summer Concert Series Memorial Day to Labour Day. If you're in Union, you'll want to spend a day at **Worstrel Family's Union Orchard & Tasting Room**. This historic farm grows fresh produce, like wine grapes, and apples, and also offers regular events and festivals. Visitors can purchase produce, baked goods and other products, or sample a wide variety of Nebraska wines. If beer's more your thing, **The Hop Yard** offers weekly tours May through July. After seeing how it's made, visitors can purchase Nebraska-brewed beer and related merchandise.

Support the farm-to-table movement by visiting the **Plattsmouth Downtown Farmers Market**. Open Saturday mornings July through September, the market offers locally-sourced plants, produce and artisanal goods. The market also operates the first Saturday evening of each month in June through September during live music events on the plaza.

RECREATION

▲ Eagle Raceway

Whatever time of year you visit Cass County, you'll find plenty of recreational activities from fishing and boating to paintball and ice skating. The county features some attractions where you can spend the entire day, but nearly every town has a community playground and picnic area for families that just want to take a little lunch break or give the kids a chance to stretch their legs. See our website (visitcasscounty.com) for directions, maps and more details.

WESTERN

Eugene T. Mahoney State Park has it all: an activity center, ice skating, trail rides, paddleboats, tennis courts, softball diamond, hiking and biking trails, observation tower (re-opening in the fall of 2020), pool, zip-lining, Nebraska's tallest indoor climbing wall, and a driving range. Stay in one of the park's 57 modern cabins or 40 lodge rooms if you're not camping. **Platte River State Park**, nearby in Louisville, also offers a wide array of options from hiking and horse trails to paddleboats and a spray park, and the onsite Outdoor Heritage Education Complex features archery and shooting ranges. Families have multiple lodging options in the summer and there's even a selection of year-round cabins to extend the camping season.

Pine Grove RV Park in Greenwood has extra-long and extra-wide campsites within its 25 acres, and big rigs are welcome. Full hookup sites with 30/50 amp services are available, and the park also offers other services like showers and laundry facilities. Families can also enjoy a pool, recreation room, exercise room and playground.

While you're in the Eagle area, be sure to check out **Eagle Raceway**, "The World's Fastest Third Mile." It's a one-third-mile dirt track with a regular weekly show at the track on Saturday nights from April to September and regular special events. **The Mini E Raceway** inside the high-banked bull ring of Eagle Raceway hosts go-kart racing on Friday nights.

CENTRAL

Louisville State Recreation Area covers 192 acres and contains five sandpit lakes, offering picnicking, swimming, fishing, non-power boating, canoe access to the Platte River and a new floating playground. The area is popular with RVers and has 223 camping pads with 20-, 30- and 50-amp electrical hookups available along with camping pads and non-pad sites. Upgraded facilities include showers and restrooms, and a playground is onsite for families with children. **Weeping Water Campground** in Weeping Water is perfect for families who prefer smaller sites for their RV or tent, and the lake-surrounding grounds include

a picnic shelter, hiking/biking trail, playground area and easy access to a municipal swimming pool.

Platte River Rentals in Louisville will help you get the gear you need for your water adventure, like tubes, kayaks, canoes, paddle boards and more. You can also rent bikes and other equipment, and can take advantage of shuttle and delivery service.

Mad Cow Paintball, also in Louisville, offers another kind of adventure with 40 acres of flat land near Turkey Creek for refereed games and tournaments. Their main focus is making paintball fun and safe for everyone.

▲ Mad Cow Paintball

EASTERN

Plattsmouth has a number of recreation areas including **Indian Springs Recreation Center**, which surrounds a five-acre fishing lake that has a handicap-accessible fishing pier. Indian Springs also provides shelters with picnic tables and grilling areas. Wildlife enthusiasts will enjoy visiting the **Schilling Wildlife Management Area**, which is open April 1 through October 14. Bordered by the Missouri and Platte Rivers, the area provides 25 acres of water for wildlife to rest and feed, and it's open to fishing and hunting with special regulations.

Smaller Plattsmouth parks include **Rhylander Park**, perfect for picnicking with its pavilion and lighted gazebo, and it also

has playground equipment and a mile-long walking/biking trail. Families or groups can enjoy a friendly game or two with the park's horseshoe pits, bocce ball area, and sports fields. Other city parks include **Caboose Park**, **Garfield Park**, and the **Memorial Park Complex**. Skateboarders can ramp it up at **Plattsmouth Skate Park**, which is open into the evening.

If you're in or near Murray, enjoy a break at **Young Memorial Park**—where you may also catch a local baseball, softball or soccer game.

GOLF

▲ Iron Horse Golf Club

Cass County boasts a nice selection of golf courses, from a nine-hole course perfect for novices to Nebraska's only 5-star facility. Visit our website at visitcasscounty.com for more details and driving directions to each course.

WESTERN

Golfers will love visiting the Ashland area, which offers three great courses within a few miles of town. The **Ashland Golf Club** is an 18-hole, semi-private country club regulation-length golf course and includes a clubhouse available for special events along with family-friendly facilities like a swimming pool complete with wading pool. **Quarry Oaks Golf Club** has been recognized as one of America's 100 Greatest Courses by *Golf Magazine* and has received many other national and local accolades. On the Platte River valley, the course features tree-lined fairways and spectacular elevation changes for a challenging yet enjoyable experience for golfers of all skill levels. A practice range with target greens and an area for bunker shots, chipping, and pitching is also available. **Iron Horse Golf Club** is a beautiful course that opened to the public in 2001. A 40-acre quarry lake and spectacular views enhance its Couples/Bates-designed, par-71 course that plays 6,500 yards from the back tees.

Grandpa's Woods in Murdock is a nine-hole (three par-four holes and six par-three) executive golf course with many challenges. After play, golfers can relax in the clubhouse or enjoy a beverage or snack, and there's an

upstairs party room or picnic area perfect for any group outing. Further south in Eagle is the acclaimed **Woodland Hills Golf Course**, a Jeffrey Brauer-designed 18-hole championship golf course that is also Nebraska's only 5-star facility (*Golf Digest* "Places to Play"). The picturesque course can be played from 4,945 to 6,600 yards.

EASTERN

The eastern part of the county offers two great courses: **Bay Hills at Buccaneer Bay and Lake Ridge Golf Course**. Bay Hills is a championship par-72, 18-hole course on a scenic bluff overlooking the Missouri valley. It's considered one of the area's most challenging courses, with beautiful rolling hills and tree-lined fairways, and also features a great restaurant. Lake Ridge is a nine-hole course with gorgeous views of natural prairie-grass roughs lining rolling green fairways that will offer a challenge for the experienced golfer but can be enjoyed by the novice golfer as well. Be sure to check out Fairways Restaurant's casual fine dining and Caddies Lounge.
